

Welcome to Fanhams Hall Hotel...

Our facilities make the most of our countryside location; guests can step outside their meeting for a breath of fresh air...and go network on the lawn.

But in our relaxed atmosphere of positivity and inspiration, you should always step out of the meeting room and make time to motivate and build team spirit!

We're full of ideas for corporate team building and have a number of activities here on site or just a short journey away.

Team building events in the grounds include croquet, five a side football, treasure hunts and rounders.

A taster of the team building ideas we can arrange offsite include go karting, golf days, laser combat, segways and micro light flying!

Your guests will leave with better working relationships and memories of having lots of fun at Fanhams Hall.

In-House Activities

Treasure Hunt

The perfect way to explore the 27 acres of stunning grounds and our beautiful Jacobean Mansion.

We run two treasure hunts on site:

Outdoor Antics: Guests are provided with a clue sheet, they can either split up in small groups or tackle the clues individually to find letters hidden around the gardens. Unscramble the letters to reveal a mystery word – the first guest / team back to the facilitator with the correct word will be crowned the winner!

Price: Complimentary

Indoor Explorer: Once again guests may tackle this as a smaller group or individually. The first clue will be given to guests and a puzzle must be solved before the next clue is handed out from reception. The first team / guest to solve all puzzles will be crowned the winner!

Price: £5.00 per person

Karaoke Klub

The Karaoke Klub at Fanhams is a unique venue for evening entertainment or some teambuilding fun during the day.

Wii love Karaoke: Are you top of the leader board at tennis? Fancy a quick round of golf? Or maybe impress your colleagues with some tip-top top spin skills whilst bowling? Our Karaoke Klub has a built in Nintendo Wii which can be used during the day for virtual team-building activities.

Play That Funky Music: Add a team-building twist to your evening event with our very own Karaoke Klub – available for dinner, dancing, singing and even cocktail competitions!

Garden Games

Five-a-Side Football: We'll provide the pitch, the goals and the ball all you need to bring is the teams! Whether it's a hard fought competition or a relaxing kick-about our purpose built pitch is the perfect place to spend a sunny summer's afternoon.

Croquet: Both a recreational pastime and a competitive sport, fun for all and easy to play. Why not team an afternoon of croquet with a Traditional Afternoon Tea Picnic for all to enjoy in our beautiful grounds?

Rounders: A great English tradition played since Tudor times and a great game to boost group spirits. With 27 acres of grounds the fielders will want to make sure they have their running shoes to hand!

Volleyball: We will provide the court, the net and the ball all you need to bring is the teams and skills. A perfect accompaniment to Pimms on the lawn, or breakout from an intense meeting.

Giant Games: For the big kid in you! Games include giant jenga, giant chess, snakes and ladders to name but a few. A great twist to your lunch break or a great icebreaker tool for the start of the day.

Wildgoose GPS Treasure Hunt Challenge

The Ultimate GPS Challenge | Overview

Treasure Hunts for the next generation!

Choose any city, add a sprinkling of GPS hotspots and give each team the latest bit of tech and what do you have? Wildgoose's most innovative and exciting Treasure Hunt yet!

Forget paper and pen, each team will be issued with a Samsung Galaxy Tab with the challenge of getting around up to 30 GPS hotspots which have been set up throughout the grounds of Fanhams Hall. Once activated, each GPS hotspot will reveal one of the following challenges:

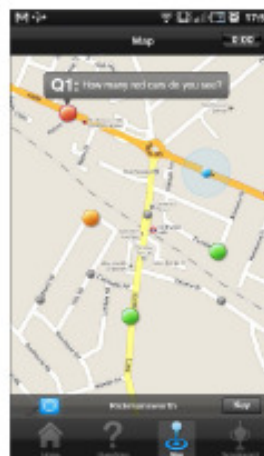

- On location. Find a local landmark to see if you crack the clue
- Strike a pose! Test your creative ability with our amusing photo and video challenges!
- University Challenge. Do you know Colin Firth's middle name, the capital city of Ghana, or the name of the only tube station in Zone 1 that contains all 5 vowels? Get revising...
- Get Scavenging. From the unusual to the everyday and with no money to spend, you'll need to be creative if you are to score maximum points.

Timed Challenges

How will you react under time pressure? On some of our challenges you'll be competing against a countdown clock. Failure to reveal the answer within the allotted time and you will score nothing!

The Final Twist

We've added an exciting twist in that you'll be able to see where all of your competitors are on the map, and the live scoreboard will update each time your team gets a correct answer. Be warned; penalty points will apply and certain elements will not be scored until the end so the final results will not be known until they are announced in the final results session.

Your Treasure Hunt package includes

- Pre-hunt event management to include:
 - Unlimited telephone and e-mail support
- Treasure Hunt pack for each team containing:
 - Digital camera to use during the hunt (spare batteries provided)
 - Samsung Galaxy Tab
 - Clipboard and pens
 - Maps, Question and answer sheets
 - Disposable waterproof ponchos
- Amazon e-vouchers up to a value of £10 for each member of the winning team. This can be removed and not charged should you wish to provide your own prizes. We have suppliers for trophies, medals or other gifts should you require.

- Wildgoose staff on the day for the duration of your event, including all applicable travel expenses

Offlimits Corporate Events

Off Limits Corporate Events have a range of team building games and exercises that are designed to cater for a wide range of needs. In our opinion no client has the same brief for their event.

A client may want a day of team building games that get the team working together in a fun environment whilst ensuring that the guests involved appreciate their colleague's contribution to the day.

Alternatively the client may require classroom input at the beginning and end of the team building exercise with observations made by an external training consultant which can be implemented back into the workplace after the event.

Offlimits have a huge stock of events and ideas for a successful teambuilding event.

Call 01773 766050 or visit www.actiondays.co.uk for a full list of the activities Offlimits have to offer.
